1. About Mukesh Global Trading

Mukesh Global Trading is an India-based global trading and sourcing company focused on supplying Indian products to international buyers. We work with manufacturers, artisans and reliable suppliers to source products according to buyer requirements, specifications and quantity.

Our approach is built around transparent communication, competitive sourcing, product-focused quality checks and long-term business relationships.

2. Product Categories

- Indian & Rajasthani handicrafts
- Jodhpur wooden handicrafts and décor
- Home décor and lifestyle products
- Imitation & fashion jewellery
- Gems and jewellery
- Traditional Indian products and textiles
- Custom sourcing based on buyer requirements

3. Why International Buyers Can Work With Us

Quality-Focused Sourcing	We work with reliable suppliers and focus on product quality, specifications and buyer requirements.
Reliable Delivery	We coordinate sourcing, packaging and shipment processes to support timely and reliable orders.
Transparent Communication	We provide clear product details, pricing, order terms and shipment information throughout the process.

4. Buyer Verification

Relevant business and export documentation can be provided to genuine buyers for verification, including:

- Import Export Code (IEC)
- GST registration
- Udyam registration
- Business and contact details
- Proforma Invoice for confirmed enquiries

5. Product Information

For product enquiries, we can provide applicable product photographs, specifications, material, dimensions, weight, MOQ, packaging details, estimated lead time and quotation.

6. Order Process

- 1. Buyer Enquiry** — Product, quantity, destination and specifications are shared.
- 2. Sourcing & Quotation** — Availability and commercial terms are checked.
- 3. Sample / Trial Order** — Where appropriate, a sample or smaller trial order can be discussed.

- 4. Proforma Invoice** — Agreed commercial terms are documented.
- 5. Order Processing** — The order is coordinated with the relevant supplier/manufacturer.
- 6. Quality & Packaging** — Product specifications and packaging requirements are checked.
- 7. Shipment** — Goods are dispatched using the mutually agreed shipping method and terms.
- 8. Documents** — Applicable commercial and shipping documents are provided.

7. Our Approach to New Buyers

We believe international business is built through transparent documentation, product verification, clear commercial terms and reliable communication. As we build our international trading network, we focus on earning buyer confidence through each transaction and developing long-term partnerships.

8. Buyer Enquiry Requirements

To receive an accurate quotation, please share the product name/reference, required quantity, specifications, destination country/city, delivery timeline, packaging requirements and any branding/private-label requirements.

9. Business Verification

IEC	Available for buyer verification
GST	Registered business documentation
Udyam	Available business registration documentation
